

About the joint statement

Deliver a joint statement on the theme “Contributing to SDGs through tourism”

Joint statement (draft)

- The member regions of the ITOP Forum will disseminate information about various efforts to achieve the SDGs and the results of such efforts, and inform society that cooperating with the ITOP Forum will help promote the SDGs, thereby spreading the circle of inspiration to achieve the SDGs.
- The ITOP Forum will strengthen the network of tourism-related industries between member regions and promote tourism in respective regions through cooperation, thereby solving social issues.
- The member regions of the ITOP Forum will utilize resources in respective regions while taking conservation and protection into consideration. They will work to create sustainable tourist sites while promoting tourism, maintaining economic benefits for the whole region, and creating jobs in respective regions.
